As part of the amendment to the Jeanne Clery Act, Colleges are required to report the above listed crime statistics that occur on property adjacent to the College campus. As a result, if local police authorities stops a vehicle on a street adjacent to campus and makes an arrest for drugs, that would count as a statistic for a drug arrest occurring on our campus. If you have any questions about the crime statistics or safety issues on campus, please don't hesitate to contact the Campus Safety Department at (970) 339-6650 or email security@aims.edu.
